Georgia Appalachian Trail License Plate Grant Program Past Grantees and Projects

Since 2013, the sale of Georgia A.T. specialty tags has generated over \$490,000 for ATC. Of that amount, the volunteer members of ATC's GA Tag Grant Committee have awarded \$292,738.21 in Georgia A.T. License Plate Grants. We are grateful to our partners who have participated in this grant program, helping to make the Appalachian Trail and the countryside it traverses the best it can be. Below, you'll find a list of each year's grant recipients, accompanied by a brief description of their project(s).
