

Nolichucky River A.T. Detour

The detour is the official white blaze route of the A.T. until the Chestoa Bridge can be rebuilt.

Use extreme caution when walking along roads. Wear bright colors. Do not walk roads at night.

NOBO (northbound) Directions:

1. Come out of the woods and turn left on Unaka Springs Rd/River Road and walk 0.5 mi to Temple Hill Rd/TN 36. You'll walk right past Uncle Johnny's Hostel, which we hear is rebuilding! Call ahead for info.
2. Turn right on Temple Hill Rd and follow for 0.8 mi to the Jackson Love Highway.
3. Turn right on Jackson Love Highway and follow for 0.5 mi to Love Station Rd.
4. Take the sharp right on Love Station Road/Carolina Ave and follow for 0.5 mi to Chestoa Pike.
5. Turn right on Chestoa Pike and follow for 1.3 mi back to the other side of the washed out bridge. The A.T. heads back up into the woods to the left, off Jones Branch Rd just past the intersection.

SOBO (southbound) Directions:

1. Come out of the woods on Jones Branch Rd, just off the intersection with Chestoa Pike. Take a right onto Chestoa Pike and follow it 1.3 miles to Love Station Rd/Carolina Ave.
2. Turn left into Love Station Rd and follow for 0.5 mi to the Jackson Love Highway.
3. Turn left on Jackson Love Highway and follow for 0.5 mi to Temple Hill Rd/TN 36.
4. Turn left on Temple Hill Rd and follow for 0.8 mi to Unaka Springs Rd/River Rd.
5. Turn left on Unaka Springs Rd and follow for 0.5 mi. Just past Uncle Johnny's and the intersection with Chestoa Pike where the bridge was, the A.T. goes up the hill into the woods on the right side of the road.
